Activities focus on developing skilled bike handling, safe ride habits, essential mechanical knowledge for campers who can already ride. Interspersed lessons teach topics like health and wellness, riding preparedness, and road laws through hands-on and participatory learning experiences. Participating in the Major Taylor Summer Ride Club is about empowerment, confidence, and above all, having fun on bikes!

The 5-day long summer session costs \$95 per participant. Scholarships are available; contact sarah@renobikeproject.com for an application for reduced camp tuition.
